

TODOS VIERON UN GATO

Generalmente vemos con los ojos, pero también influyen nuestros sentimientos. Piensa que lo que ves pasa por las emociones. Así, a veces algo que ves te causa ternura y otras, desagrado. Te proponemos describir y dibujar un animal según cómo lo veas con tu estado de ánimo. Puedes mirar las páginas del libro para darte una idea.

They All Saw A Cat - Emily Arrow

Song inspired by the book THEY ALL SAW A CAT (Chronicle Books)
by Brendan Wenzel and adapted with permission.

They all saw a cat (x2)
They saw its whiskers, ears and paws they all saw a cat

The child saw it too.
The dog saw it too.
They saw its whiskers, ears and paws but saw a different view.

The fox saw it too.
The fish saw it too.
They saw its whiskers, ears and paws but saw a different view.

The mouse saw it too.
The bee saw it too.
They saw its whiskers, ears and paws but saw a different view.

The bird saw it too.
The flea saw it too.
They saw its whiskers, ears and paws but saw a different view.

The snake saw it too.
The skunk saw it too.
They saw its whiskers, ears and paws but saw a different view.

The Worm saw it too.
The Bat saw it too.
They saw its whiskers ears and paws but saw a different view.

The child and dog and fox and fish and mouse
and bee and bird and flea and snake and skunk and worm and bat,
they all saw a cat (x2)

The cat knew them all.
They all knew the cat.
But if the cat could see himself,
what would he think of that.
What would he think of that.

They all saw a cat.
They all saw a cat.
